- Please remove all ball and gate valves from offer
- In Raw 27, valve type shall be changed to globe valve
- One check valve 2", 300# to be added to quotation. please refer to updated data sheet. our first priority is swing check valve (flanged connection) for this 2" valve. if this valve is not in Metallum range of product, so dual plate , wafer type to be quoted.
- Please provide quotation for strainers as per updated data sheet
- Please provide Quotation for spare sight glass as per Items 9,10 of attached data sheet
