## WO-6740 [DELTA] - Skid Package - Modification and Additional Works Summary (VOR-3, Rev.1)

[PO: NASH -2023-PO-156]

Sl.No	Section	Description	Material Grade	Manhours	Unit Rate (USD)	Unit Cost (USD)	Qty	Total Cost (USD)	Remarks
1	Piping	Additional Piping Material Including Testing and Painting Skid A	CS	—	—	8000	1	8,000	
	Piping	Additional Piping Material Including Testing and Painting Skid B	CS	—	—	8000	1	8,000	
2	Tubing	Execution of Tubing Work for New Skids	SS		3000		2	6,000	
	Structural	Fabrication & Supply of Steel Structure Skid A- Additional Scope	—	—	2.8	—	14,500	40,600	
	Structural	Fabrication & Supply of Steel Structure Skid B- Additional Scope	—	—	2.8	—	14,500	40,600	
3	Structural	Pipe Support and Grating for Both Units	—	—	4	—	1,000	4,000	
	Structural	Heavy Duty Lifting Lugs Including Material, Painting and Testing			3,200		2	6,400	
4	Skid Assembly	Additional Test of Complete Skids with N2 with pressure of 27 bar for Leakage of New Skids			5,000		2	10,000	
	Skid Assembly	Execution of Piping assembly for new skids including Instrument and Electrical re-works performed as fully skid mounted works including manhours, crane, Painting, Touch up, Testing, etc	—	—	16,000	—	2	32,000	
			TOTAL COST (USD)					155,600.00	

*Rudhysa*

**Unit Rate (Addition/Deletion):**

- ⇒ CS - Structure Steel (SA 275 JR / A 36) – USD 2.8/kg.
- ⇒ CS - Structure Steel for Platform/Ladder (SA 275 JR / A 36) – USD 3.2/kg.
- CS - Pipe Support (SA 275 JR / A 36) – USD 4.0/kg.
- ⇒ CS Piping – USD 16/Inch Dia for 2" & below.
- ⇒ CS Piping – USD 14/Inch Dia for above 2".
- ⇒ SS Piping – USD 22/Inch Dia for Above 2".
- ⇒ SS Piping – USD 24/Inch Dia for 2".
- ⇒ SS Piping – USD 26/Inch Dia for below 2".
- ⇒ Refer **Attachment 6A** for NDT & PWHT.
- ⇒ External paint only for Primer with blasting – USD 23.0/Sq. Mtr.
- ⇒ External paint only two coat system with blasting – USD 28.0/Sq. Mtr.
- ⇒ Additional piping material = **Actual Cost + 15% Basis.**

**Note:**

- ⇒ **Our Quotation is based on received piping MTO, Isometric drawings & GA Drawing provided by client along with the revised RFQ. Any change in considered structure weight / piping inch Dia / painting at later stage will be charged as per above advised unit rate.**
- ⇒ Price quoted is valid for an undivided order only, not valid for split orders.
- ⇒ **"VAT is not applicable for Export".**
