Important Notices

Please take care about subsequent actions as indicated below:

- A- Please inform us exact date and place of next inspection activities at least 5 working days in advance.
- B- Please forward to us the relevant B/L, FBL, AWB, Commercial Invoice & Final Packing list of the related shipment by Fax or E-Mail. We will then complete and dispatch the final certificate after your confirmation about our draft. The shipping document (B/L, FBL, and AWB) sent to us should be photocopy of Original, well clean (without remarks), numbered, dated, signed and stamped by transporters. When sending an AWB, departure of Goods should be confirmed by special stamp. Any shipping document presented to us not fulfilling all the above conditions will be considered incomplete as it cannot be used for preparation/issuance of inspection certificate.

****This Release Note does not exonerate Vendor/Manufacturer/Supplier from their responsibilities to meet the requirements of all agreed specifications**
